

Yebo Tours Murchison Falls Budget Itinerary.

Board a bus from Kampala or from anywhere in Uganda and to arrive in Masindi at our base some 21km from the gate to the Murchison Falls National Park.

Camping is the best way of keeping your costs to a minimum when you are traveling on tight budget. We have several itineraries for your consideration.

Our popular camping itinerary two nights (three days) is detailed below; you can as well do it minus camping depending on your budget:

Day 1. After breakfast we leave Masindi via Lake Albert to the Murchison Falls National Park.

En-route we pass through the Budongo Forest and experience huge views of Lake Albert from the escarpment. We stop for lunch at the Butaiba landing site before continuing to our YEBO TOURS bush camp for the night. In the evening while sitting around campfire you will enjoy typical Ugandan hospitality and be entertained by our local dance group.

Day 2. We awake an hour before dawn to prepare at 5.00 am for breakfast before departing for a 4 hour game drive around the Victoria Nile Delta region of the national park. This area is well known for it's abundant game. You will have excellent opportunities to observe lion, elephant, giraffe, buffalo, and many types of antelope. There is an abundance bird life you will also be distracted by during this game drive. For those with keen eyes you may even see a leopard.

We head back to our campsite for lunch.

At 1.00 pm we depart for a 3 hour launch trip to the base of the Murchison Falls. Hippos, huge crocodiles, more buffalo, antelope and birds are common. For those who wish to hike up to the top of falls by leaving the launch trip our vehicle will rendezvous with you in the visitor's area. A ranger from the wildlife authority will guide you from the launch and include a nature walk around the falls. An incredible natural wonder occurs between 19. 10 pm and 19.30pm at the falls where you will have opportunity to observe a mass exodus of bats from the bat cave before we go back to our camp for a night of rest or alternatively we can bush camp at the top of the falls if decided earlier in the day.

Day 3. At 6.00 am we leave from either of the two campsites to experience a chimpanzee tracking activity on our way back to Masindi at Kaniyo Pabidi. This eco-tourism site is within the Budongo Forest and managed by the Jane Goodall institute. Breakfast will be taken at Kaniyo Pabidi before starting the chimpanzee tracking. We will return for lunch at the visitors center Kanyio Pabidi before continuing to Masindi some 26km to allow you to catch a bus to Kampala at 2.30pm.

If you are not interested in chimpanzee tracking, alternatively we will take you for Rhino tracking 65km from Masindi at Ziwa Ranch. We will take lunch before coming back to

the main road to meet the same bus leaving Masindi to Kampala at 2.30pm arrive Kampala between 6.00pm and 7.00 pm.

The camping trip is inclusive are all park entry fee and activities 2 nights camping/ or typical African hut, communal bathroom facilities all transport to and from Masindi meals drinking water.

The trip excludes all drinks.

Do not hesitate to contact us regarding this itinerary. We are very flexible in tailoring it to your requirement.
